## VENUE OVERVIEW

---

Bootleg opened its doors in December 2014 as an alternative bar / live music venue, with an aim to inject a little bit of life into a dying seaside town.

Since then Bootleg has cemented itself as one of the best small venues off the beaten track of neighbouring cities Manchester, Liverpool and Preston with notable gigs such as The Wombats, IDLES, Slow Readers Club, Sugar Hill Gang, Twisted Wheel & Rae Morris to name a few.

Powered by state of the art Meyer Sound PA system, Bootleg provides an unrivaled gig experience for bands and audiences alike.

A new addition for 2019 is our new Flat that is available for band use that sleeps up to 8 people.
